1 Note on this Sample Document

This document is an anonymised sample document. It shows the cover page, the confidentiality page and the complete table of contents of the original document and ends at this point. The chapters containing the substantive content are not part of this sample document.

This document was prepared for MSR-Innovations GmbH. Customer-specific documents are used or prepared for each company.

All project, company, personal and location details and all dates have been replaced by sample details. The tenderers involved are designated neutrally in the contents overview as Tenderer A, Tenderer B and Tenderer C. The only company name mentioned in the document is MSR-Innovations GmbH as author. Structure, chapter sequence, page numbers and scope correspond unchanged to the original.
