1 Note on this sample document

This is an anonymised sample document. It shows the cover, confidentiality page and the complete contents of the original document and ends at that point. The substantive chapters are not included in this sample.

This document was prepared for MSR-Innovations GmbH. Client-specific documents are used or created for each company.

All project, company, personal and location details and all dates have been replaced with sample information. Tenderers are identified neutrally in the contents as Tenderer A, Tenderer B and Tenderer C. MSR-Innovations GmbH is identified as the author. The structure, chapter sequence, reference page numbers and extent are retained from the German original.
